

THE STATE OF DELAWARE DELAWELL HEALTH MANAGEMENT PROGRAM

FOCUS ON YOUR HEALTH

The State of Delaware and Highmark Blue Cross Blue Shield Delaware encourage you to focus on your health by completing two easy steps.

ANNUAL PHYSICAL EXAM: An annual physical exam is the best way to stay on top of your health. Your doctor (Internal Medicine, General Practitioners, Family Practice and GYNs) can provide annual physicals as well as treat small problems before they become serious. You can learn if you are at risk for a health condition. After you have had your physical exam or OB/GYN exam, certify online that you have completed it.

WELLNESS PROFILE: The Wellness Profile is an online survey that helps you understand where you stand with your health. You'll get a wellness score, an action plan and recommendations for health and wellness programs that can help you to improve your health.

Schedule your annual preventive exam to take charge of your health. Learn how to improve your health with the Wellness Profile.
