## NEW FOR 2010! Use the Benny Card to pay for eligible expenses!

Starting in 2010, you will have the option of signing up for the optional FSA debit card, or Benny Card, that can be used to pay for your eligible medical expenses using pre-tax money! The card is a great way to manage your cash flow, and may reduce the amount of paperwork. The card is optional, and, should you choose to receive a card, there is an annual fee of \$12 that will be deducted from your Health Care FSA balance in January, 2010.
