APPOINTMENTS

Most LabCorp locations welcome patients without an appointment. You can walk in and receive testing. Sites are generally busiest from opening until 10 a.m. If fasting is not required, you may wish to schedule an appointment during off-peak hours.

To schedule an appointment, even a same-day appointment, call the location directly. Or use the online scheduling system at www.labcorp.com.

REMEMBER TO BRING:

- Prescriptions or test orders from your physician
- Your current Highmark Delaware member ID card
- Your personal identification card, such as a driver's license.

PAYMENT AND BILLING

- Applicable copays must be paid by cash, check or credit card when services are received.
- State of Delaware members are not required to provide a credit card for billing, other than to pay applicable copays.
- If you have questions about billing, call LabCorp customer service at **1-800-845-6167**.

Laboratory services – such as blood work, urinalysis and other tests – can be obtained through any LabCorp facility. LabCorp is Highmark Delaware's only network, free-standing laboratory facility, so only LabCorp services are covered at full in-network rates. (Members are responsible for applicable co-pay.)

You can go to any LabCorp location, within Delaware, and be assured of a high level of safety and quality. Facilities are located throughout Delaware, with convenient hours before and after work.

If you live outside Delaware, you should use a network lab that is in the same state in which your referring physician is located. For assistance in locating an out-of-state, in-network lab, contact Highmark Delaware's Member Services at 1-844-459-6452 or visit Highmark Delaware at www.highmarkbcbsde.com.

*Your health is our top priority,
and we want to make sure you
get the right health care at the
right time in the right place.
Laboratory testing gives your
doctors the information they
need to help you stay healthy.*
