

MEDCO PHONE APP NOW AVAILABLE!

New on your smartphone: Get prescription safety alerts, reminders, and potential savings wherever you are!

The brand-new **Medco Pharmacy™** app helps you stay on track with taking your medications as prescribed. And it's on your smartphone now—at no cost to you.

Once you open the **Medco Pharmacy** app, log in with your online medco.com user ID and password to use the app's features*:

My Rx Choices®

- Look up potential lower-cost prescription options available under your plan and discuss them with your doctor—even while you're still in the doctor's office!

My Medicine Cabinet

- View your medications and set reminders for when to take them or notify you when you are running low.
- Get personalized alerts if there's a possible health risk related to your medications. You can also add over-the-counter medications, vitamins, and supplements to check for possible interactions with your prescriptions!

Prescription ID Card

- Don't have your prescription ID card in your wallet? No problem. Use your phone to display a virtual card that you can show at the pharmacy.

Use the Medco Pharmacy app today!

This new app and its services are available at no cost to you. If you can't locate it on your company phone or if you want to install it on a personal **iPhone®**, **BlackBerry®** or **Android™** smartphone, go to your smartphone's app store, search for "Medco" and download the app—for **free!**

***If you haven't yet registered on www.medco.com®, please go to the site to get your medco.com® user ID and password.**
