

Things To Consider

As Open Enrollment Approaches: View the Employee Education Session Materials

The Statewide Benefits Office (SBO) offered special pre-Open Enrollment Employee Education Sessions on **April 15, 21 and 22** that provided State of Delaware employees with an opportunity to engage, ask questions and **learn about what's new beginning July 1, 2015**:

- New rates for health, dental and life. Vision rates remain unchanged.
- Preventive care, as defined by the Affordable Care Act (ACA), will be covered at no charge.
- Aflac Supplemental Benefits – Critical Illness and Accident Insurance
- DelaWELL Health Management Program – Programs and services will be provided through Highmark Delaware and Aetna.
- Minnesota Life Group Universal Life Insurance – Enrollment opportunity

A special thanks to the hundreds of State of Delaware employees that attended the April 2015 Employee Education Sessions!

“Just wanted to let you know how much I enjoyed the benefits educational session this morning. I found it informative and lighthearted. Thanks for putting it on. More employees really need to take advantage of this. As they say... Knowledge is power!” – Valerie

“The session last night was great, there was a lot of good information presented and I am looking forward to going to one of the upcoming health fairs in May to gather more information in order to choose the best benefits that fit my needs. Thank you for your help.” – Kimberly

Call To Action

→ The materials that were presented at the Employee Education Sessions are now posted on the SBO website. **Benefit-eligible employees who did not attend the sessions are encouraged to view the materials to learn more about what's new for Open Enrollment 2015.** Visit www.ben.omb.delaware.gov/oe and select the link “Things To Consider As Open Enrollment Approaches - April 2015 Employee Education Session Materials.”

This newsletter is published by the Delaware Statewide Benefits Office.
