Have you completed your benefits enrollment or changes?

There are only 4 days remaining to enroll or make changes to your health, dental, vision, supplemental benefits and blood bank coverage. Review the *Call To Action* below.

As a reminder, if you are not enrolling or making any changes to your current benefits and do not cover a spouse, no action is required.

Call To Action

↳ Everything you need is located at www.ben.omb.delaware.gov/oe, including an Open Enrollment Booklet (Follow the 2016 Enrollment Action Checklist on page 4).

You MUST complete a new Spousal Coordination of Benefits (COB) Form online in [Employee Self-Service](#) each year during Open Enrollment, if you cover your spouse on your health (Aetna or Highmark Delaware) plan.

Important: High volume in [Employee Self-Service](#) could lead to slow response times and delays. If you are unable to log into the system after the second attempt, please try again later. If you receive an operation error message, please refer to the refresh instructions located at the top of the [Employee Self-Service](#) assistance page. Self-Service Open Enrollment is available 24 hours a day between now and May 26.
