If I Do Not Want To Make Any Changes To My Benefits And Just Keep What I Currently Have (Or Continue To Waive Coverage), Do I Have To Do Anything?

YES, you must view your Personal Information to make sure your Preferred Contact Information is correct. Then, look at Benefits Enrollment, select “I Have No Changes” and click Submit to send your final benefit choices for the July 1, 2018 plan year. Even if you decide to continue to waive coverage, you must select “I Have No Changes” and click Submit in Benefits Enrollment.

Also, if you are covering your spouse on your health plan effective July 1, 2018 you must complete the online Spousal Coordination of Benefits (SCOB) Form. A new SCOB Form must be completed each year during Open Enrollment or your spouse’s coverage will be reduced.
