

Weight Watchers Discounted Pricing Ends June 30, 2015

The current strategic partnership between Weight Watchers and the State of Delaware **ends June 30, 2015**. The discounted pricing you currently receive will be discontinued. Billing on or after July 1, 2015 will be charged in accordance with Weight Watcher's standard monthly rates currently \$44.95 for Meetings and \$19.95 for OnlinePlus. Beginning with your July billing, you will be charged the applicable standard monthly rate. Should you wish to cancel membership and avoid incurring the standard monthly rate, you must cancel your account in accordance with the [Cancellation Policy](#) or by calling Weight Watchers Customer Service at 1-866-204-2885.

If you choose to keep your Meetings program, you can find local meetings near you by visiting the [Weight Watchers website](#). Current members that are attending at-work meetings at State of Delaware locations will be contacted by Weight Watchers soon with information on an option to transition to a 12 or 17 week session that is a pre-paid block of time.

Starting July 1, eligible members can access all of the DelaWELL wellness and disease management programs through their health carrier (Highmark Delaware or Aetna). Free services like telephonic health coaching and online tools and resources will be available through the health carriers to assist members with topics like weight management, nutrition and physical activity. We hope you'll continue to build on the successes you've already had and continue to reach your weight-loss goals, whether you use the DelaWELL resources mentioned above or you continue with Weight Watchers.
