The screenshot shows the Aetna provider directory website for Delaware employees. A modal dialog box is open in the center, titled "First, choose an Aetna plan to find providers that accept it". The dialog contains the text: "You could end up paying a lot more if you use a provider that does not accept your plan or does not provide the highest level of coverage under your plan. We advise calling all doctors before you see them to find out if they accept your plan." Below this text is a dropdown menu labeled "Select a Plan:" with three options: "Select", "Medical Plans", and "Aetna CDH Gold Plan".
